More about you!

What supplies would be most helpful for your classroom?

laminating sheets (I use almost weekly in the kindergaten classroom to make games, namtags, etc....very important for durability and ease in use in the classroom!)

If you were buying a gift for yourself, what would be some of your ideas?

shoes! :) or books/manipulatives for the classroom

What can I do as a parent to make your year easier?

read to your child every night, foster independence that is appropriate for a 5 or 6 year old, consistent routines at home with an appropriate bedtime for a 5 or 6 year old (they need lots of rest!), remind them we're a team! We're working together to help them have a wonderful year of learning and growth!
